Patient Group meeting
14 6 2022
Zoom

7 patients present

Plus Claire Jackson, Reception Manger and Camilla Hawkes, Practice Manager for St Martins

Patient survey

Camilla presented the recent patient survey results – *see slides on website*

Asthma inhaler prescribing

Did you know that inhaler prescribing is the biggest single contributor to the carbon footprint of any GP practice?

Certain inhalers have a lower carbon footprint than others. The same inhalers that have a lower carbon footprint, are also best for patient care.

Dr Fisher, our respiratory lead GP, will be talking about what the practice can do to improve asthma care and at the same time to protect the health of our planet.

– *see slides on website*

Next meeting date

13th Sept 5-6pm

GP Partners:, Dr Beth Oxley, Dr Anna Fisher, Dr Natasha Gordon,
Dr Sam Theaker, Dr Jon Wills
Managing Partner: Camilla Hawkes
