

Collaborative Care Planning
Your test results

One	Two	Three	Four	Five
<ul style="list-style-type: none"> Go to our website Click Access All Online Services Follow the prompts using the user name and password that you received when you registered to use the online system 	<p>At the home page click Patient Record to see a plain English version of your test results. (Clicking View Test results, will show you all the detailed numbers which is not so easy to read)</p>	<p>You will then see your records listed in date order, with the most recent at the top. Your Care Planning results letter is called Results.</p>	<p>Click the  icon to read your results letter</p>	<p>Once you have viewed your results please consider the questions in the letter you received when you had your tests taken, and think about what you would like to discuss for the care planning appointment which you have got booked in a few weeks' time.</p>
				<ul style="list-style-type: none"> What are the most important things to you at the moment? What one thing do you want to achieve?
